Contact grill
CG 5040

Product data

- High performance contact grill made from high-quality materials with elegant design, 2000 W
- 2 extra large and hinged grill plates with 31 x 26 cm each side, ideal for grilling with the whole family
- Healthy and tasty grilling, gratins and contact grilling for meat, fish, sausages, poultry, vegetables, cheese, toast and much more all in a matter of minutes
- Low-fat food preparation thanks to specially tilted surfaces which let the fat drip off the food
- Height adjustment for different meat thicknesses
- The non-stick grill plates can be heated separately
- Removable grill plates, extremely useful for hygienic and thorough cleaning
- Adjustable heat settings with control light for temperature status
- Illuminated on/off and grill plate switch
- Safe and space-saving storage with side locks on the handle
- 2 dishwasher-proof drip trays are included in the scope of supply
- Colour: black / stainless steel

Double grill area
